

APPLICATION FOR PIPE LINE CROSSING/PARALLEL ENCROACHMENT UNDER/OVER PROPERTIES AND TRACKS

If you have not reviewed Railroad's Utility Accommodation Policy, please contact LandRail at info@landrail.com or (303) 398-0400 to receive a copy prior to submittal of this application.

Plans for proposed installation shall be submitted to and meet the approval of the railroad, and a crossing agreement must be fully executed between the railroad and the applicant before construction can begin. Material and installation are to be in strict accordance with specifications of the American Railway Engineering Association and requirements of the property owner. One original of this form shall be submitted, accompanied by letter-sized prints of a drawing showing plan, elevation section of crossing from field survey, location in respect to Mile Post, width of railroad right of way, location of adjacent structures affecting crossing, and all information required in Figures 1 and 2 of AREMA Specifications, Part 5. If open cutting or tunneling is necessary, details of sheeting and method of supporting tracks or driving tunnel shall be shown. PLEASE BE THOROUGH: Incomplete applications may result in processing delays.

1. Complete Legal Name of Applicant: _____

2. Agreement to be in the name of (if different from above): _____

3. Type of Applicant (please mark one): Corporation _____ LLC _____ Individual _____ Municipality _____ Partnership _____ (General ___ Limited ___) Other _____

If applicable, state/province of incorporation or organization: _____

Federal Tax Identification number (if applicable): _____

4. Mailing Address: _____

Billing Address (if different): _____

Overnight Delivery Service Address: _____
